

Do you know
where your account
statement is?

eStatements now available.

Use Your Inbox Instead Of Your Mailbox

An unlocked mailbox is an open invitation to identity thieves. Account statements and other paperwork can provide valuable information if they fall into the wrong hands. That's why eStatements are such a good idea.

When you sign up for eStatements, your Valley Bank statement notice arrives by email. Simply click on a link, type in your password, and view your account information securely online. No waiting. No worrying. No paper trail.

Why not give eStatements a try? It's a free service, and if you ever change your mind we'll switch you right back to regular statements.

To sign up, visit www.vbwa.com, click on eStatements, or for more information call **877-848-4816**.
